

Adverse Childhood Experiences (ACEs): Trauma, Resilience and Long-Term Consequences

Wednesday, April 12, 2023

12 – 1 p.m.

Target Audience

Primary care clinicians and anyone interested in learning about ACEs are welcome.

Learning Objectives

- Review the ACEs model and its importance for monitoring and care of affected individuals.
- Discuss fostering resilience and helping families prevent long-term consequences of childhood trauma.
- Identify tips for ACEs screening.
- Consider how to encourage clinician-community partnership.
