

Formerly known as *Clinician Leadership Intensive Program (CLIP)*, PPCL2 blends evidence-based theory with hands-on practice and group coaching. Physicians & advanced practice clinicians (APCs) can provide effective and sustainable leadership through renewal, reflection, protected time, space to learn, and practical, relevant, skill-building.

### Target Audience

Ideal candidates are experienced physician and advanced practice clinician (PA, NP, etc.) leaders in formal leadership roles. Examples of leaders who would benefit are clinician champions, committee chairs, site/department/care center leads and medical directors. **Completion of PPCL1 (formerly IPAL) is a prerequisite for this program.** *Some exceptions may be made based on applicant’s experience and relevant leadership education.*

### Format / Time Commitment

This program offers a blended format with in-person and virtual sessions via Zoom. In-person sessions and are 7.5 hours long (8:30am - 4:00pm). There are regular breaks (including lunch) during that time. There is approximately one (1) hour of independent work required between sessions. Participants will work on a self-selected project throughout the program, which culminates in a 5-minute, virtual presentation in small groups. Participants are required to clear their calendar of other obligations on class days to enable full participation. **Completion of all sessions is required for continuing education credit.**

Through the program, participants will:

- Recognize the link between emotional intelligence (EQ), leadership success, and personal EQ effectiveness
- Incorporate simple mindfulness and renewal activities into daily routine
- Apply communication, change management, and influence skills to move a project forward
- Demonstrate ability to influence others by presenting ideas to stakeholders

In support of improving patient care, Sutter Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Sutter Health University is approved by the California Board of Registered Nursing. Provider Number 12691.

### Program Enrollment:

Interested participants should speak with their supervisor or a sponsor who supports their leadership development, then complete the [PPCL2 Enrollment Form](#). Participation is prioritized for those identified in formal successions plans who have completed the prerequisite program, followed by a first come/first served basis.
