

Coronary CT and CT-FFR Changing Paradigm for CAD Workup

Wednesday, May 19, 2021

12 - 1 p.m.

Target Audience

Providers caring for adult medical patients. All other interested care staff are welcome.

Learning Objectives

- Recognize the CT coronary angiogram procedure.
- Understand the strengths and weaknesses of standard and CT-based approaches.
- Identify the basic physiology of fractional flow reserve and how it's estimated through coronary CT scans.

Continuing Education Credits

In support of improving patient care, Sutter Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Sutter Health University designates this LIVE activity for a maximum of 1.0 AMA PRA Category 1 Credits™ for physicians, 1.0 contact hours for nurses and 1.0 knowledge-based contact hours for pharmacists. Learners should claim only the credit commensurate with the extent of their participation in the activity.
