

Corrected, Not Cured: Lifelong Care of Adults With Congenital Heart Disease

Wednesday, June 8, 2022

12 – 1 p.m.

Target Audience

Providers involved in the care of adults with congenital heart disease and all interested care staff are welcome.

Learning Objectives

- Recognize the need for ongoing medical care for adults who have congenital heart disease.
- Discuss contemporary treatment strategies and the role of collaborative care with a specialized adult congenital heart disease (ACHD) care center.
