

Heart Failure Clinical Care Pathway

Wednesday, November 8, 2023

12 – 1 p.m.

Target Audience

Cardiologists, primary care clinicians and all interested care staff are welcome.

Learning Objectives

- Identify best-practice, evidence-based interventions for heart failure to improve outcomes, quality of life and affordability.
- Consider guideline-directed medical therapy (GDMT) to reduce morbidity, mortality, admissions and readmissions for heart failure.
- Discover tools within the Heart Failure Clinical Care Pathway, including patient, population and point-of-care support.
