

BREAST CANCER AWARENESS MONTH SERIES #3:

Latest Advances in Breast Oncologic Care

Wednesday, October 27, 2021

12 – 1 p.m.

Target Audience

Breast and oncoplastic surgeons, surgical oncologists, oncology providers and all other interested care staff are welcome.

Learning Objectives

- Understand a novel surgical technique in the prevention of lymphedema.
- Understand cancer genomics and its increasing role in management of both early stage and advanced breast cancer.
- Understand limitations of traditional mastectomy techniques and review reconstructive options with regards to sensation.
