

# Managing Agitation in the Acute Medical Setting

**Wednesday, February 2, 2022**

12 – 1 p.m.

## Target Audience

Physicians in primary care, urgent care and emergency room settings, nurse practitioners, physician assistants, surgeons, nurses and all other interested care staff are welcome.

## Learning Objectives

- Recognize how to identify an agitated patient and determine cause of agitation.
- Identify appropriate behavioral and medication interventions for agitation.
