

Red Eye or Red Flag?

Serious Underlying Pathologies of Hyperemia of the Eye

Wednesday, July 27, 2022

12 – 1 p.m.

Target Audience

Primary care providers, advanced practice clinicians, urgent care providers, walk-in care providers and all interested care staff are welcome.

Learning Objectives

- Diagnose sight-threatening and life-threatening disorders.
- Differentiate between acute diseases and cases that merit an urgent referral.
- Recognize common misdiagnoses of red eye.

Register in Advance

To register or to learn more, please visit
