

Multiple Sclerosis: Why Early Diagnosis and Treatment Matters

Wednesday, June 21, 2023

12 – 1 p.m.

Target Audience

Physicians, advanced practice clinicians, RNs and all interested care staff are welcome.

Learning Objectives

- Recognize early symptoms and risk factors for multiple sclerosis.
- Report what patients can expect from today's preventive treatments.
- Explain unmet needs and future directions for the MS field.
- Identify next-generation therapies currently in clinical trials.
