

# Narrative Medicine: How Stories Can Transform Healthcare

**Wednesday, March 29, 2023**

12 – 1 p.m.

## Target Audience

Clinicians and trainees across specialties.

## Learning Objectives

- Demonstrate the relevance and benefits of narrative medicine to clinical practice, patient outcomes and clinician well-being.
- Recall how narrative competence can counteract implicit bias, medical errors, liability and negative work culture.
- Uncover current and future applications of narrative medicine in our medical organization and community.

## Register
