

Current Strategies To Help Prevent Hospital-Acquired Pneumonia

Wednesday, December 14, 2022

12 – 1 p.m.

Target Audience

Physicians, registered nurses, speech language pathologists, respiratory therapists, physical therapists and all interested care staff are welcome.

Learning Objectives

- Discuss the significance and burden of healthcare-associated pneumonia, including NV-HAP.
- Identify pneumonia's pathophysiology and most common etiology.
- Assess essential practices for acute-care hospitals to help prevent pneumonia.

Register

To register or to learn more, please visit suttermd.com/virtualgrandrounds.

How To Join
