

Integrating Behavioral Health and Primary Care to Address the Mental Health Crisis

Wednesday, February 1, 2023

12 – 1 p.m.

Target Audience

Doctors, nurses, advanced practice clinicians and all interested care staff are welcome.

Learning Objectives

- Review data indicating a healthcare crisis in the U.S.
- Describe the costs and consequences of poor health, particularly mental health.
- Outline principles behind the integration of behavioral health and primary care.
- Identify the outcome benefits of a collaborative care model.
